LIMITED PRODUCT WARRANTY

Manufacturer is not liable for consequential, incidental or special damages. There are no statutory or implied warranties including the warranties of fitness for a particular purpose and merchantability. There are no warranties other than as set forth here and factory neither assumes nor authorises any person to assume any liability or other obligation in connection with Ductermatic Corners. Ductermatic Corners are warranted to be free from any and all defects in material and workmanship only at the time of shipment from our factory. Manufacturer will at its sole option, replace or issue credit for the original purchase price. To determine the suitability of Ductermatic Corners for each specific purpose the user must conduct their own test. Manufacturer does not guarantee the results from the use of Ductermatic Corners because of differences in application & fixing as well as the possibility of structural movement or externally caused damage.
