QuikCorner*™ / QuikScrew™

FEATURES AND BENEFITS

QuikCorner*™ TDF

- Testing reveals that the QuikCorner*™/QuikScrew™ connector greatly speeds up the installation process
- One (1) minute connection saving per nine (9) corners installed, resulting in approx. \$85 p/hr installed cost saving
- QuikCorners*™ are packed & stacked ready for use in all automatic corner insertion machines
- Teardrop shaped hole connector and clenching holes serve as pilot guide for easy assembly with the most versatile screw guns
- Less consumables for a fitter to carry on site
- Less necessity to use a podger tool.

Independent tests resulted in the QuikScrew™ connection remaining in place after destructive pull out test, despite the corner dislodging from the duct flange, in some cases.

QuikScrew™ bolts

- Hex Undercut Washer Head Zinc Clear Screw, ST 10.5-9TPI Type C x 25 indent
- Available in cartons of 600 screw bolts
- Carbo-nitrided case hardened & tempered
- No need for nuts, QuikScrew™ easily connects to the opposite QuikCorner*™ teardrop shaped hole to produce a tight connection
- Pilots and drives to significantly reduce or eliminate use of drift-pin and clamps for corner alignment

PACKAGING INFORMATION

CODE	DESCRIPTION	UOM	ORDER MULTIPLE	PRICE / ea
DW-QCORNER-C	TDC QuikCorner Bracket*	CTN	250	\$0.23
DW-QCORNER-F	TDF QuikCorner Bracket*	CTN	250	\$0.23
DW-QSCREW	QuikScrew™ Bolt Fasteners	CTN	600	\$0.155

LIMITED PRODUCT WARRANTY

Manufacturer is not liable for consequential, incidental or special damages. There are no statutory or implied warranties including the warranties of fitness for a particular purpose and merchantability.

There are no warranties other than as set forth here and factory neither assumes nor authorises any person to assume any liability or other obligation in connection with QuikCorner*™/QuikScrew™ System.

The QuikCorner*™/QuikScrew™ System is warranted to be free from any and all defects in material and workmanship only at the time of shipment from our factory.

Manufacturer will at its sole option, replace or issue credit for the original purchase price.

To determine the suitability of QuikCorner*™/QuikScrew™ System for each specific purpose the user must conduct their own test.

Manufacturer does not guarantee the results from the use of QuikCorner*™/QuikScrew™ System because of differences in materials as well as the possibility of structural movement or externally caused damages.
